

Para 11. CFS will support country-led implementation of the 2030 Agenda for Sustainable Development, focusing primarily on SDG2, and its linkages with FSN relevance of other SDGs and targets, by focusing on the nexus between SDG2 and other SDGs and targets, guided by the following strategic objectives for MYPoW 2020-2023”.

Para 27. To increase linkages between CFS and the regional and country levels, Member States are encouraged, at their discretion, to constitute or strengthen multidisciplinary national mechanisms (e.g. food security networks, national alliances, national CFS) including all key stakeholders dedicated to advance food security at national and local levels, in particular, where feasible and suitable, the RBAs country offices”
