Guiding questions

1. Do you think that the evidence presented in the HLPE report is well reflected in Draft One of the policy recommendations on agroecological and other innovative approaches?
2. With regard to Draft One, what are the main elements that you support? What elements do you consider to be potentially unhelpful in terms of finding consensus?
3. Do you think that the policy recommendations in Draft One can be translated into practical and implementable actions in your country/sector?
