

CFS 48 Special Session: 4 June 2021 Provisional Agenda

Timekeeping

CFS 48 Special Session provides the opportunity for meaningful dialogue and interaction in view of the endorsement of the Policy Recommendations on Agroecological and Other Innovative Approaches. Delegates are asked to keep their interventions succinct (three minutes or less) and relevant to the item under discussion. Lengthy formal statements are not anticipated. A traffic light system will be in place to help delegates manage their time.

In the event that a Member State delegation includes high level participation such as a Minister, Vice Minister, Secretary of State (or equivalents), they should inform the Secretariat and will be given priority in the speaker's list.
