**INPUTS FOR THE DRAFT POLICY RECOMMENDATIONS:
Promoting Youth Engagement and
Employment in Agriculture and Food Systems.**

1. Which priority issues and policy-relevant areas should be addressed through this CFS policy convergence process and included in the policy recommendations?

- National programs, with public investments for integrated agriculture and food system transformation programmes.
- Integration and inclusion programs, creation and promotion of professional schools to fight the high levels of unemployment and underemployment, to prepare young people to enter in the job market.
- Integrated sustainable strategies, local and national projects with evaluation of indicators.
- Public policies with a gender perspective.

2. Do you have any suggestions for CFS meaningfully engaging youth constituencies in the policy convergence process?

- Early employment legislation;
- Entrepreneurship and innovation;
- Training, capacity building and learning;
- Social security as an object of guaranteeing rights and opportunities for integration;
- The decentralization of trade as an opportunity;
- The promotion of projects for first jobs in exchange for tax relief for companies.
- Strengthening programs and institutions for security and improving the inclusion of youth and young women.
