**FINAL
Second Joint Statement/Position
At the Third Round of the OEWG GEWGE
28 July 2022**

Thank you, Co-Chairs,

Indonesia delivers this statement on behalf of the Group of Like-Minded Countries including China, Russian Federation, Sudan, Cameroon, and Malaysia.

As stated in the first day of our third-round negotiation, we would like to reiterate our commitment to advance gender equality and women empowerment in the context of food security and nutrition, including by engaging in a constructive discussion on the document.

We appreciate Co-Chair's efforts in guiding us forward, however considering the existing enormous gap of positions in this negotiation, we would like to reemphasize that at this point we are not convinced that we could achieve consensus on this negotiation hence of having an outcome in this workstream. This is also the reason why we could not support the idea of having additional session.

Thank you.
