Additional comments, if any:

5. PLEASE INDICATE YOUR PROPOSED SUPPORTING ACTIVITY(IES)* IN THE TABLE BELOW

(These include, among others, the organization of the annual Plenary session with associated communication and outreach activities, CFS Chairperson's activities in support of CFS, preparation of the work programme, and discussions on rules of procedure, as necessary. They also include activities that are associated with outputs 2.2 (Global Strategic Framework for Food Security and Nutrition – GSF) and 3.1 (conclusions of follow-up and review sessions) and 3.2 (communication and outreach))

**[Please note that the supporting activities will be discussed and finalized at a later stage, after the prioritization of the thematic workstreams. Therefore, you are invited to indicate your support on proposal 36 below and/or, if you wish, indicate additional ones]*

- Uptake of CFS policy guidance (Proposal 36)
- Others (specify below)

WHO is co-leading the Initiative on Climate Action and Nutrition (I-CAN) that was launched during COP27. WHO and I-CAN partner can support with policy actions under proposal 22.

WHO will be available to support side events
