

CFS CONTRIBUTION TO THE 2025 HIGH LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT (HLPF) – WORKPLAN

As outlined in the CFS 2024-2027 Multi-Year Programme of Work, “contributions to the High Level Political Forum on Sustainable Development (HLPF) will be developed by the CFS Secretariat based on the substantive guidance provided by the Bureau in consultation with the Advisory Group. A Rapporteur will be identified to facilitate the drafting process.”

This year, the CFS will offer its contribution to the HLPF under the overarching theme of “Advancing sustainable, inclusive, science-and evidence-based solutions for the 2030 Agenda for Sustainable Development and its Sustainable Development Goals for leaving no one behind”, with a focus on the following SDGs: • Goal 3. Ensure healthy lives and promote well-being for all at all ages; • Goal 5. Achieve gender equality and empower all women and girls; • Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all; • Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development; and • Goal 17. Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development.
