

Fourth International Conference on Agriculture Statistics (ICAS-4)
SIDE EVENT: Food Security Statistics and Information for Targeting Poor and Hungry Populations at Sub-national Levels

EC-FAO Food Security Information for Action Programme
 25 October 2007, Friendship Hotel, Beijing, China

Provisional Agenda

08:30 – 09:00	Introductory session	
	Moderator:	Mr. L. Alinovi (FAO, Rome)
	Topic:	Deriving Food Security Statistics from National Household Surveys: Experiences, Achievement, and Challenges
	Speaker:	Mr. R. Sibrian (FAO)
9:00 – 10:30	Session 1: Food security statistics at sub national levels	
	<u>Issue:</u>	Deriving Food Security Statistics at Sub-national levels and Gender Analysis of food Deprivation
	Moderator:	Mr. G. Kvinikadze (Department of Statistics, Georgia)
	Topic 1:	Region and Gender Analysis of Food Security Statistics in the 2003 Family Income and Expenditure Survey (FIES 2003)
	Speaker 1:	Ms. R. Ala- Fabian (National Statistical Office, Philippines)
	Topic 2:	Sub-national estimates of Food Security Statistics in the Laotian 2003 LECS
	Speaker 2:	Mr. S. Boupha (National Statistical Centre, Laos)
	Topic 3:	Food Security Statistics by Regions and Gender in the Cambodian 2003/05 CSES
Speaker 3:	Mr. P. Pothy (National Institute of Statistics, Cambodia)	
10:30 – 11:00	Tea/Coffee	
11:00 - 12:30	Session 2: Consumption versus Acquisition approaches for deriving Food Security Statistics	
	<u>Issue:</u>	Discuss differences among food security statistics derived from food data collected using acquisition and consumption approaches
	Moderator:	Mr. A. Joma (Ministry of Agriculture, Palestine)
	Topic 4:	Food data collected using acquisition and consumption approaches with daily diaries in the Armenian 2004 ILCS
	Speaker 4:	Ms. D. Martirosova (National Statistical Service, Armenia)
	Topic 5:	Food data collected using acquisition and consumption approaches with a 7-day recall method in the Kenyan 2005/6 KIHBS
Speaker 5:	Mr. J. Kaara (Kenya National Bureau of Statistics)	

	Topic 6:	Food data collected using consumption and intake approaches in Cape Verde 2001/02 IDRF
	Speaker 6:	Mr. R. Sibrian (FAO)
12:30 – 14:00	Lunch	
14:00 – 15:00	Session 3: Using food security statistics for policy analysis	
	<u>Issue:</u>	Use of food security statistics for information and action by national stakeholders involved in food security
	Moderator:	Mr. J. Kaara (Kenya National Bureau of Statistics)
	Topic 7:	Monitoring food insecurity in Moldova based on the 2000 and 2006 HBS
	Speaker 7:	Mr. O. Cara (National Bureau of Statistics, Moldova)
	Topic 8:	Using food security statistics for policy analysis and actions with long-term impact on hunger eradication based on the Palestinian 2005 PECS
	Speaker 8:	Mr. A. Joma (Ministry of Agriculture, Palestine)
15:00 – 15:30	Tea/Coffee	
15:30 – 16:30	Session 4: How to enhance analysis of Food Security Statistics	
	<u>Issue:</u>	Improvements on the statistical analysis of food consumption data from the national surveys.
	Moderator:	Mr. O. Cara (National Bureau of Statistics, Moldova)
	Topic 9:	Longitudinal analysis using panel data for assessing seasonality effects on the food security situation in Tajikistan 2005 HBS
	Speaker 9:	Mr. R. Sibrian (FAO)
	Topic 10:	Integrating MICS and HBS data to derive better estimates of food security statistics at subnational levels in Georgia
	Speaker 10:	Mr. G. Kvinikadze (Department of Statistics, Georgia)
16:30 - 17:00	Closing ceremony	
	Moderator:	Mr. R. Sibrian (FAO)
		Finalization session: General Discussions on issues and challenges of food security statistics
