Support to the implementation of the MP Framework for Action (FFA)

- Senior policy expert recruited for Asia and under recruitment for Latin America until 30 June 2019. Main tasks:
- Mobilize the support and commitment of MP focal points towards the FFA
- Map institutional set-up for SDG implementation in MP countries and identify entry points for influencing national commitments to SMD, particularly in countries submitting their VNRs in 2019 and 2020
- Identify common themes for regional cooperation among MP members
- Prepare a regional event/workshop in each region for sharing experiences, discuss common themes and promote commitment towards SMD within the 2030 agenda (Asia: side event at the Asia Pacific Forestry Week in Songdo, Republic of Korea, (17-21 June 2019))

Support from SC members

- Inform and mobilize respective constituencies to support the work of the consultants
- Facilitate contacts and meetings, especially in the countries submitting VNRs (Chile, Indonesia, Pakistan, Philippines)
- Support the organization of and participation in the two regional events
- Report at the SC meetings on advances in the implementation of the FFA
