Mountain-related exhibits at COP 23

Date	Description	Organizations
Monday, 06 November, 2017 - Friday, 17 November, 2017	"Voice of the Vulnerable": The exhibition shares lessons learnt of Government of Nepal about its NAP process and progress – demonstration activity including voices of local communities to achieve equitable adaptation outcomes that benefit the most vulnerable.	Clean Energy Nepal (CEN), International Centre for Integrated Mountain Development (ICIMOD)
Monday, 06 November, 2017 - Friday, 17 November, 2017	What is the Arctic we have to have to maintain the global climate system? The cryosphere may be changing faster than anywhere on earth – but its impacts on the climate system may take centuries to appear, and thousands of years to reverse. What NDCs and measures are enough to meet this challenge?	Climate Policy Center (CPC), International Cryosphere Climate Initiative (ICCI)

The meeting rooms are not final and are subject to change.
