Survey on National Bioenergy Development

Dear Participant,

Thank you very much for participating in the FAO 2nd Regional Bioenergy Policy Dialogue. Kindly fill in this simple survey in consultation with your colleagues to help us to update our bioenergy contacts database and understand the emerging developments in your national bioenergy sector. We hope that answering these questions will assist in preparing your country presentations for the meeting. Questions on regional issues and concerns have also been included and will be discussed in more detail during the meeting.

It would be greatly appreciated if you could return the completed, electronic survey to Mr. Beauj Damen, Bioenergy Officer, FAO Regional Office for Asia and the Pacific via e-mail at Beauj.Damen@fao.org by Tuesday, 31 May 2011.

Copies of the completed survey will also be made available to the FAO country representative in each of your respective countries to allow for more effective follow-up of any pressing issues identified.
