Discussion

11:00-11:30

Coffee Break

Session 2: Round Table discussions on managing food insecurity risks

Facilitator: OECD

11:30-13:00

This session will provide an overview of early results of OECD work that assesses policy impacts on food security in a risk-based framework on selected ASEAN countries as well as the World Bank's finding on rice price volatility and food security in ASEAN. Two kick-off presentations are followed by a roundtable discussion aimed at identifying how to improve regional and domestic responses to a variety of food insecurity risks.

Two kick-off presentations (30 mins)

- Managing food insecurity risks in ASEAN: Risk assessment – Mr Shingo Kimura, OECD
- Policy issues on rice price volatility and food security in ASEAN – Mr Sergiy Zorya, World Bank

Roundtable discussion (60 mins)

- ASEAN representatives (Myanmar, Indonesia, Thailand and Viet Nam)
- Mr Suriyan Vichitlekarn, GIZ
- Mr Sergiy Zorya, World Bank
- Mr Shingo Kimura, OECD

13:00-14:30

Lunch Break

Session 3: Enabling environment and innovation system for agricultural productivity growth

Chair: Philippines - SOM-AMAF Chair

14:30-16:00

This session would focus on agriculture. The enabling environment and innovation system are critical elements in ensuring a productive agricultural sector that can both ensure sustainable food supplies to meet nutritional needs, but importantly generate sustainable incomes for producers. Measuring the agricultural enabling environment and comparing agricultural innovation systems are an important first step in developing policy advice. This session would explore the early results from OECD work and discussion the possible policy recommendations that result from this analysis.

- Speaker 1: OECD (Ms Emily Gray)
- Speaker 2: Agricultural Innovation System in ASEAN - SEARCA
- Speaker 3: GIZ (Mr Suriyan Vichitlekarn)
- Speaker 4: ADB (Ms Lourdes S Adriano)
- Speaker 5: Policy recommendations from FO/CSOs on nutrition sensitive agriculture production, marketing and consumption – Ms Ma.Estrella a. Penunia, Asian farmers' association for sustainable rural development (AFA)

Discussion

16:00-16:30

Coffee Break

Session 4: Promoting sustainable resource management to improve food security and nutrition

Chair: Philippines - SOM-AMAF Chair

16:30-18:00

This session would explore some of the issues related to the sustainable resource management from crop diversification, conservation of forestry, promotion of fisheries and aquaculture sectors in the region. In particular, it will discuss fisheries form an important part of both the diets and livelihoods of a number of households in the region and are also an important supplied of essential minerals that are important for good nutritional outcomes. Attention will be paid to how better management of fisheries and fisheries resources can be as a tool to ensure food and nutrition security.

- Speaker 1: OECD (Ms Claire Delpuech)
- Speaker 2: World Fish Center (Dr Tran Van Nhung)
- Speaker 3: Ben Belton Michigan State University
- Vegetables for the promoting sustainable resource management to improve food security and nutrition - Dr Fenton, World Vegetable Center
- Speaker 5: IFPRI (Dr Suresh Babu)

Discussion

19:00-21:00

Dinner reception

Day 2: 15 June 2016

Session 5: Promoting Nutrition-enhancing agriculture development in ASEAN

Chair: Philippines - SOM-AMAF Chair

9:30-11:00
