

**CONCEPT PAPER FOR THE PROPOSED TRAINING WORKSHOP ON REGISTRATION  
OF BIO-PESTICIDES**

**DRAFT**

(15-19 August 2016, China)

**1. Background**

This training workshop seeks to address capacity issues around limited bio-pesticide capability and skills to implement bio-pesticide registration identified through the The Twenty-ninth Session of the Asia and Pacific Plant Protection Commission (APPPC) in Bali, Indonesia. As an active member of the APPPC, China, through the ICAMA, Ministry of Agriculture has been involved in the process of bio-pesticide support activities throughout the South East Asia and Pacific region for many years. Therefore, the members of the meeting in the part of pesticide management was agreed that the workshop on registration of bio-pesticide would be held in 2016.

The activity will be facilitated and delivered by ICAMA, China over a five days workshop. Bio-registration specialists from members of the APPPC will be invited to participate in the activity, incorporating three key training activities ; bio-pesticide registration, data requirement for registration and drafting protocol of efficacy test for registration.

**2. Objectives of the workshop**

✦ To exchange the knowledge and experience among ASEAN counties on the registration of bio-pesticide products.

✦ To enhance the bio-pesticide registration in ASEAN.

**3. Expected outputs**

- Better understanding of current status of biopesticide registration in the region
