

Future Direction for Forestry in the Asia-Pacific Region

*Partners Roundtable Meeting of the Asia-
Pacific Forestry Commission (APFC)*

*12 October 2016
Anantara Riverside Bangkok*

Questions:

1. What recent development at int'l and regional level will most influence forestry in the next decade?
2. Based on 1, what key themes or area of work should forestry in our region focus on?
3. How can regional cooperation in forestry best be organized or improved?
