

Tetsuya UCHINO

Business Strategy Unit.

(Global Business/Social Innovation)

Fujitsu Kyushu Systems Limited

■ Since joining Fujitsu Kyushu Systems Ltd. in 1991, I've worked as an Account Engineer on Fujitsu Business PKG and ERP systems, pre-sales and global business development on both domestic and international scales for over 25 years.

■ Encompassing my entire career, including 8 years of foreign residence, I have more than 15 years of experience in the global business field.
