

# GEORGIA - Vegetable Seeds and Fertilizers Distribution in Shida Kartli Region - May 2009

(OSRO/GEO/803/ITA)

Food and Agriculture Organization of the United Nations  
Emergency Rehabilitation Coordination Unit  
GEORGIA

## Legend

Number of Households assisted

FAO project "Emergency Provision of Agricultural Inputs and Support to Agriculture Sector and Food Security Cluster Coordination in Georgia" funded by Cooperazione Italiana aims to protect the livelihoods of vulnerable small-scale farmers in conflict affected area through the provision of vegetable seed varieties, fertilizers and provide technical assistance in successfully planting and cropping of the seeds.

Seeds and fertilizers distribution took place in 22 villages in Shida Kartli region, most of the villages in area adjacent to South Ossetia (UN Security Phase 3). 4.8 MT of different vegetable seeds (tomato, cabbage, carrot, cucumber and beet root) and 368 MT NPK fertilizers have been delivered to 7,369 beneficiaries.
