PARTNERS EVENT - Second Session of the Committee on Agriculture (COAG) Sub-Committee on Livestock

BACKGROUND

The Food and Agriculture Organization of the United Nations (FAO) is convening the Second Session of the COAG Sub-Committee on Livestock, which will be held in **hybrid format at FAO headquarters in Rome, Italy, from 16 to 18 July 2024**. This follows a successful First Session in 2022, which was attended by over 600 delegates from 129 FAO Members, as well as various non-governmental and intergovernmental organizations from around the world.

During this Second Session, delegates will discuss agenda items related to the three main thematic areas of the Sub-Committee's [Multi-Year Programme of Work \(2022-2025\)](#) which are:

- (1) Sustainable livestock systems for food security, nutrition and inclusive economic growth;
- (2) Animal, public and environmental health through the One Health approach; and
- (3) Natural resource use, climate change and biodiversity.

All relevant information about the Sub-Committee on Livestock is available at <https://www.fao.org/coag/sub-committee-on-livestock/about/en/>

PARTNERS EVENT

The Second Session will include for the first time, a Partners Event, organized by FAO in the **Red Room on Thursday 18 July 2024, from 09:30 to 12:00 CEST**.

During the event, selected stakeholders will report on their main recent and planned initiatives and activities related to the three thematic areas of the Sub-Committee's Multi-Year Programme of Work (2022-2025). Please note that interpretation in all six official languages of the United Nations will be provided by FAO.

CALL FOR PROPOSALS

COAG Observers and UN organizations invited to the Second Session of the COAG Sub-Committee are invited to submit a proposal for the Partners Event to COAG-Livestock@fao.org using the form below by **Tuesday 30 April 2024**. As for the other parts of the Second Session of the Committee on Agriculture (COAG) Sub-Committee on Livestock, the Partners Event will be webcast and take place in hybrid modality. Proposals for the Partners Event will be evaluated based on pre-established criteria, which include a balance of geographical areas and stakeholder types.
