

34th Session of the FAO Committee on Fisheries

ITEM 14

Multi-year Programme of Work (MYPOW) of the Committee

CORRESPONDENCE PROCEDURE INTERVENTION BY THE ARGENTINE DELEGATION

Comments:

In relation to item III “Effective work planning of COFI” paragraph 18.b of document COFI/2020/12, all COFI documents, including SOFI, should be available in all FAO languages at least four weeks before the start of the session period; Argentina suggests that there should be included additionally in the work programme the publication or references to the countries of each FAO area the information of landings and the diagnosis of the status population of all stocks considered for the calculation of the percentages of sustainable stocks in the area, prior to the publication of the SOFI report.
