

34th Session of the FAO Committee on Fisheries

Comments from Mexico

Item 14

Multi-Year Programme of Work of the Committee (MYPW)

- Mexico expresses its agreement with the Multi-Year Programme of Work of the Committee on Fisheries for 2018-2021, prepared by the Secretariat, which includes the following:

- ✓ General objectives of COFI and an effective planning of its work.
- ✓ Review of the fisheries and aquaculture world situation.
- ✓ Establishment of strategies and priorities, and budget planning.
- ✓ Advice on global policy and regulatory issues.
- ✓ Working methods.

- Nevertheless, and in accordance with the comments of other countries and if it is the case that the Programme is modified, our country reserves the right to issue additional comments.
