B – COMMENT RECEIVED FROM THE MEMBER

The comment is also available in EN, ES, FR, AR, ZH and RU

Malaysia would like to congratulate FAO and UNEP’s leadership in the UN Decade of Ecosystem Restoration initiative which has provided a set of principles that underpin the policy for ecosystem restoration. Malaysia recommended that both organizations as well as Global Environment Facility (GEF) would look into supporting ecosystem restoration projects financially as well as capacity building programs and sharing of best practices, transfer of relevant technologies and research and development.

Malaysia takes note on the work by UNGA to transform agrifood systems during the Food Systems Summit.

Malaysia also takes note on the work by IOTC of which Malaysia is a Contracting Party. Malaysia is committed to adhere to resolutions agreed upon and support initiatives by the Commission.

Malaysia takes note on the work by FAO on promoting safety and decent work in fisheries. Malaysia recommend that FAO continues to conduct capacity building programmes and disseminate materials pertaining to the initiatives especially in developing countries including Malaysia.

C – REPLY BY THE SECRETARIAT

Малайзия хотела бы поздравить ФАО и ЮНЕП с лидерством в инициативе Десятилетия восстановления экосистем ООН, которая предоставила ряд принципов, лежащих в основе политики восстановления экосистем. Малайзия рекомендовала обеим организациям, а также Глобальному экологическому фонду (ГЭФ) изучить возможность финансовой поддержки проектов восстановления экосистем, а также программ наращивания потенциала и обмена передовым опытом, передачи соответствующих технологий, а также исследований и разработок.

Малайзия принимает к сведению работу ГА ООН по преобразованию агропродовольственных систем во время Саммита по продовольственным системам.

Малайзия также принимает к сведению работу ЮТС, Договаривающейся стороной которой является Малайзия. Малайзия привержена выполнению согласованных резолюций и поддержке инициатив Комиссии.

Малайзия принимает к сведению работу ФАО по обеспечению безопасности и достойного труда в рыболовстве. Малайзия рекомендует ФАО продолжать реализацию программ по наращиванию потенциала и распространение материалов, касающихся инициатив, особенно в развивающихся странах, включая Малайзию.
