

COUNTRY PROGRAMMING FRAMEWORK PRIORITY 4:

Inclusive, Gender-Responsive Agrifood Governance and Promotion of Private Sector Investment

Incorporate specific targets related to gender and indigenous communities, as well as the rural poor and disadvantaged groups through all FAO interventions. FAO projects will aim to enhance the capacity of these groups, along with relevant stakeholders, to promote inclusive and gender-responsive agrifood systems governance. It will support the resilience of smallholder farmers, including women and tribal communities, against the threats and risks of climate change.

FOCUS AREAS

Agri Invest

South-South Cooperation

Gender at FAO

EXPECTED OUTPUTS

- Strengthen the participation of women and other disadvantaged groups including youth.
- Developed India-led South-South cooperation model for promoting agrifood systems transformation.
- Strengthened investments for promoting agrifood systems transformation.
