**Tender No. 2019/FAPAK/FAPAK/101050 (19/30)**

#	Description	Location	Acres	Unit Price per Acre (PKR or USD)	Total DAT* Price (PKR or USD)	Offered delivery time in days
1	Land Development Lot-1	Orakzai Agency	300			
2	Land Development Lot-1	North Waziristan Agency	200			
3	Land Development Lot-2	South Waziristan Agency	500			
<b>Grand Total</b>			<b>1000</b>			

**\*Including Insurance**

**Note: Suppliers can quote in USD or PKR currency. If offer is received in PKR, the payment will be effected in PKR currency and if offer is received in USD, they payment will be effective in USD currency.**

The Agriculture Service Provider(s) can apply for the land development works for both lots i.e lot 1 (North and Orakzai Agencies) or lot 2 (South Waziristan Agency) but single Service provider/supplier will be granted a contract for one lot only. Contract for two lots will not be granted to a single supplier.

\* If the quote is in a different currency than specified here, FAO will convert prices for the commercial evaluation to a single currency using the official UN exchange rate corresponding to the date of the offer.

NOTE regarding arithmetical errors and discrepancies:

- If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected, unless in the opinion of evaluators, there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted will govern and the unit price will be corrected.
- If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals will prevail and the total will be corrected.
- In case of discrepancy between a word and figures, the amount in words will prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures will prevail subject to the note above.
