INVITATION TO BID / FAO SEALED BID: 2019/FAPAK/FAPAK/100948 (19/07)
CLOSING DATE: 18 February 2019, 1630 hours Pakistan time

The Food and Agriculture Organization of the United Nations (FAO) is a specialized agency of the United Nations with more than 190 member countries. Since its inception, FAO has worked to improve nutrition, increase agricultural productivity, raise the standard of living in rural populations and contribute to global economic growth. Achieving food security for all is at the heart of FAO's efforts – to make sure people have regular access to enough high-quality food to lead active, healthy lives.

To achieve its goals, FAO cooperates with thousands of partners worldwide, from farmers' groups to traders, from non-governmental organizations to other UN agencies, from development banks to agribusiness firms (further and more detailed information on FAO can be found on the internet site: <http://www.fao.org>).

Any request for payment to a bank account other than that of the supplier or to a bank other than one located in the supplier's country of residence must be specified in the offer, together with the reasons for such deviation from standard payment terms; the Organization will not be in a position to consider the request should this information be provided after the closing date of the tender. Successful bidders can register to submit invoices in PDF format via e-mail by contacting AP-Invoices@fao.org.

5. **Acceptance of FAO's Bid Requirements including Technical Specifications (Appendix III).** If your bid is not compliant with any of these requirements, such non-compliance must be clearly identified in your offer (and details provided in Appendix III: Bid Submission Letter). If no mention to this effect is contained in your offer, FAO will assume that all requirements included in this Invitation to Bid are accepted by the supplier. Suppliers must in any case complete the technical specifications form.
6. **Insurance and Freight Costs:** To be arranged by supplier. The supplier will determine the appropriate type and amount of insurance coverage to address its risks up to delivery at final destination. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.
7. **Prices:** Your unit prices, air/land/surface freight charges, insurance cost and total price shall be quoted separately for delivery to the destination(s) specified above on DAT basis in accordance with Incoterms 2010. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.
8. **Delivery time:** Goods are to be delivered on site within 3 weeks of receipt of Purchase Order. Suppliers are therefore requested to quote their best delivery time in calendar days/weeks following receipt of eventual Purchase Order; as necessary, a schedule of delivery times and associated prices may be offered (e.g. later delivery time at a lower cost). FAO reserves the right to consider offers for delivery beyond the preferred delivery date if the offered delivery date still meets FAO requirements.
9. **PO Terms:** Depending on the Incoterm basis on which FAO decides to procure the goods DAT, the relevant contract (Purchase Order) will also be in compliance with those Incoterms.
10. **Validity:** Bids must remain valid with firm and fixed prices **for 60 days** after Tender Closing Date.

This provision must be included in any subcontracts, sub-agreements or assignments entered into under the awarded contract.
