# 6<sup>th</sup> Meeting of the Asian Soil Laboratory Network (SEALNET)

21-22 September 2022

# National Reference Laboratories (NRLs) survey outcomes

*Mr. Filippo Benedetti, GSP Secretariat FAO*

**SEALNET**  
ASIAN SOIL LABORATORY NETWORK

# Survey participation

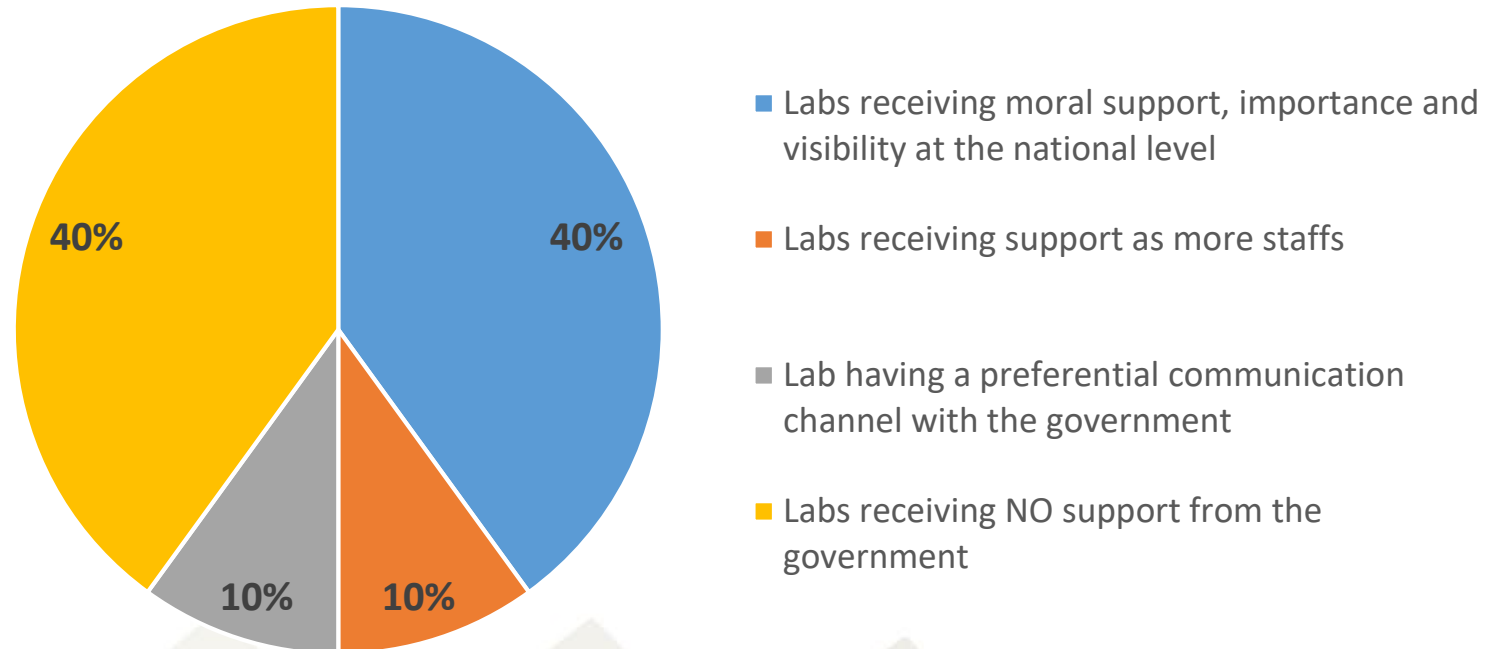

Answers collected from the NRLs of:

Bhutan, China, India, Indonesia, Japan, Malaysia, Myanmar, Nepal, Pakistan, Philippines, Sri Lanka, Vietnam

**Aim:** to monitor the activities of the national reference laboratories at the country level and to keep GSP national focal points informed on country progresses on laboratories

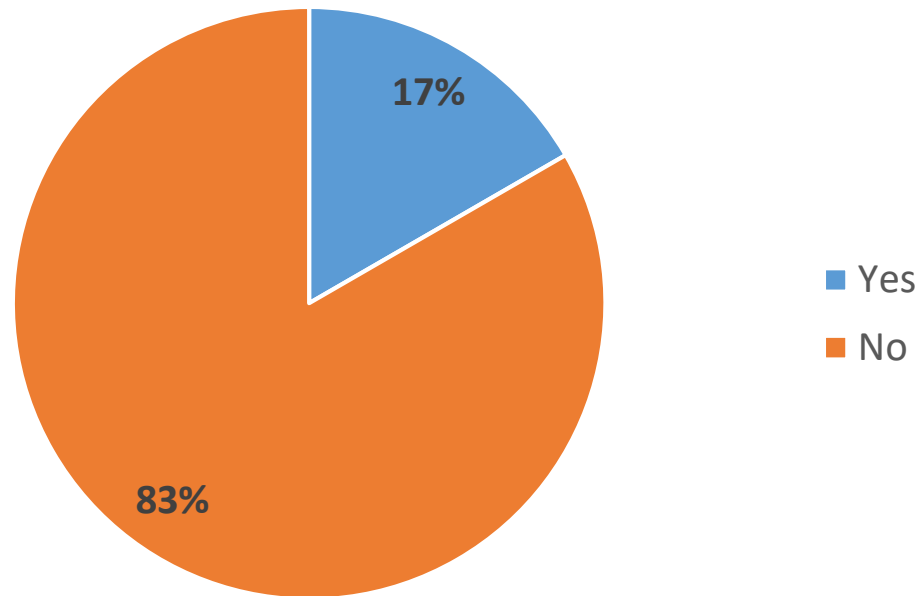

# Relations with the national government

## Support received by NRLs from the government

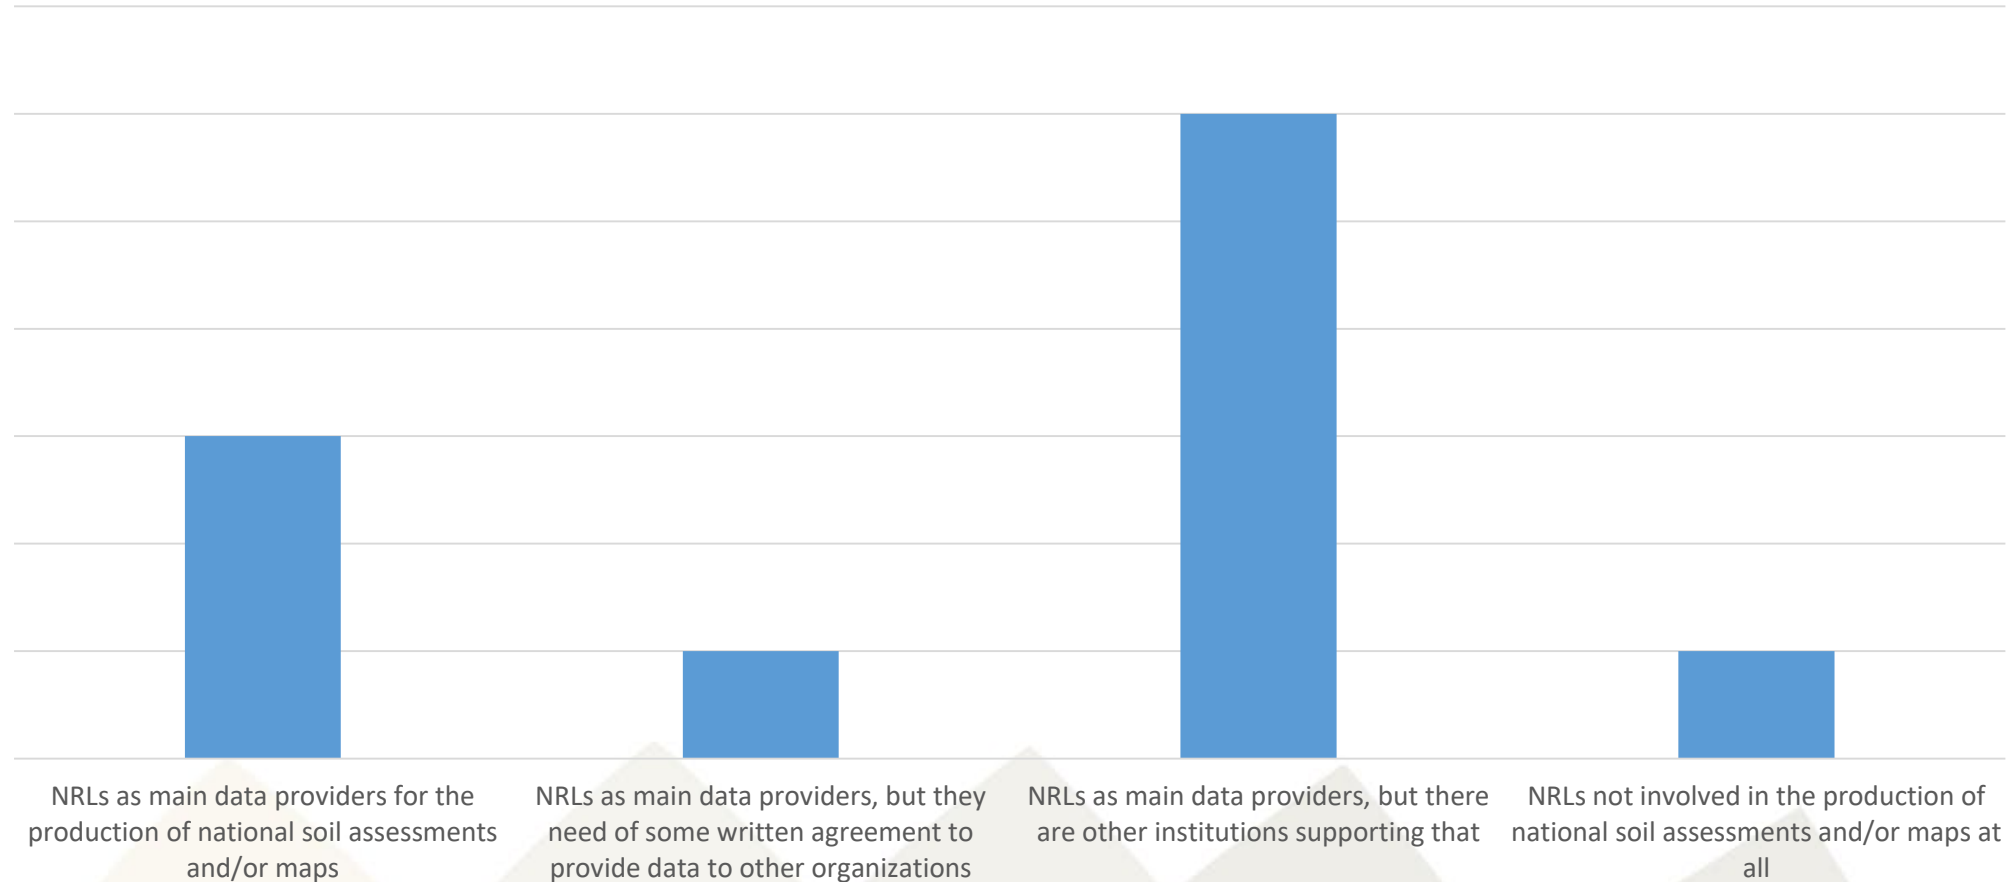

# External support

Laboratories receiving support from sponsors/donors

Examples: international organizations, NGOs, companies, manufacturers

# Role of NRLs as data providers for the governments

6<sup>th</sup> Meeting of the **Asian Soil Laboratory Network (SEALNET)** | 21-22 September 2022
