

# Cooperation between INSOP and the International Network of Soil Information Institutions (INSII)

Healthy soils for healthy food, people, nature and climate within the European Green Deal

*Luca Montanarella*

*INSII Chair*

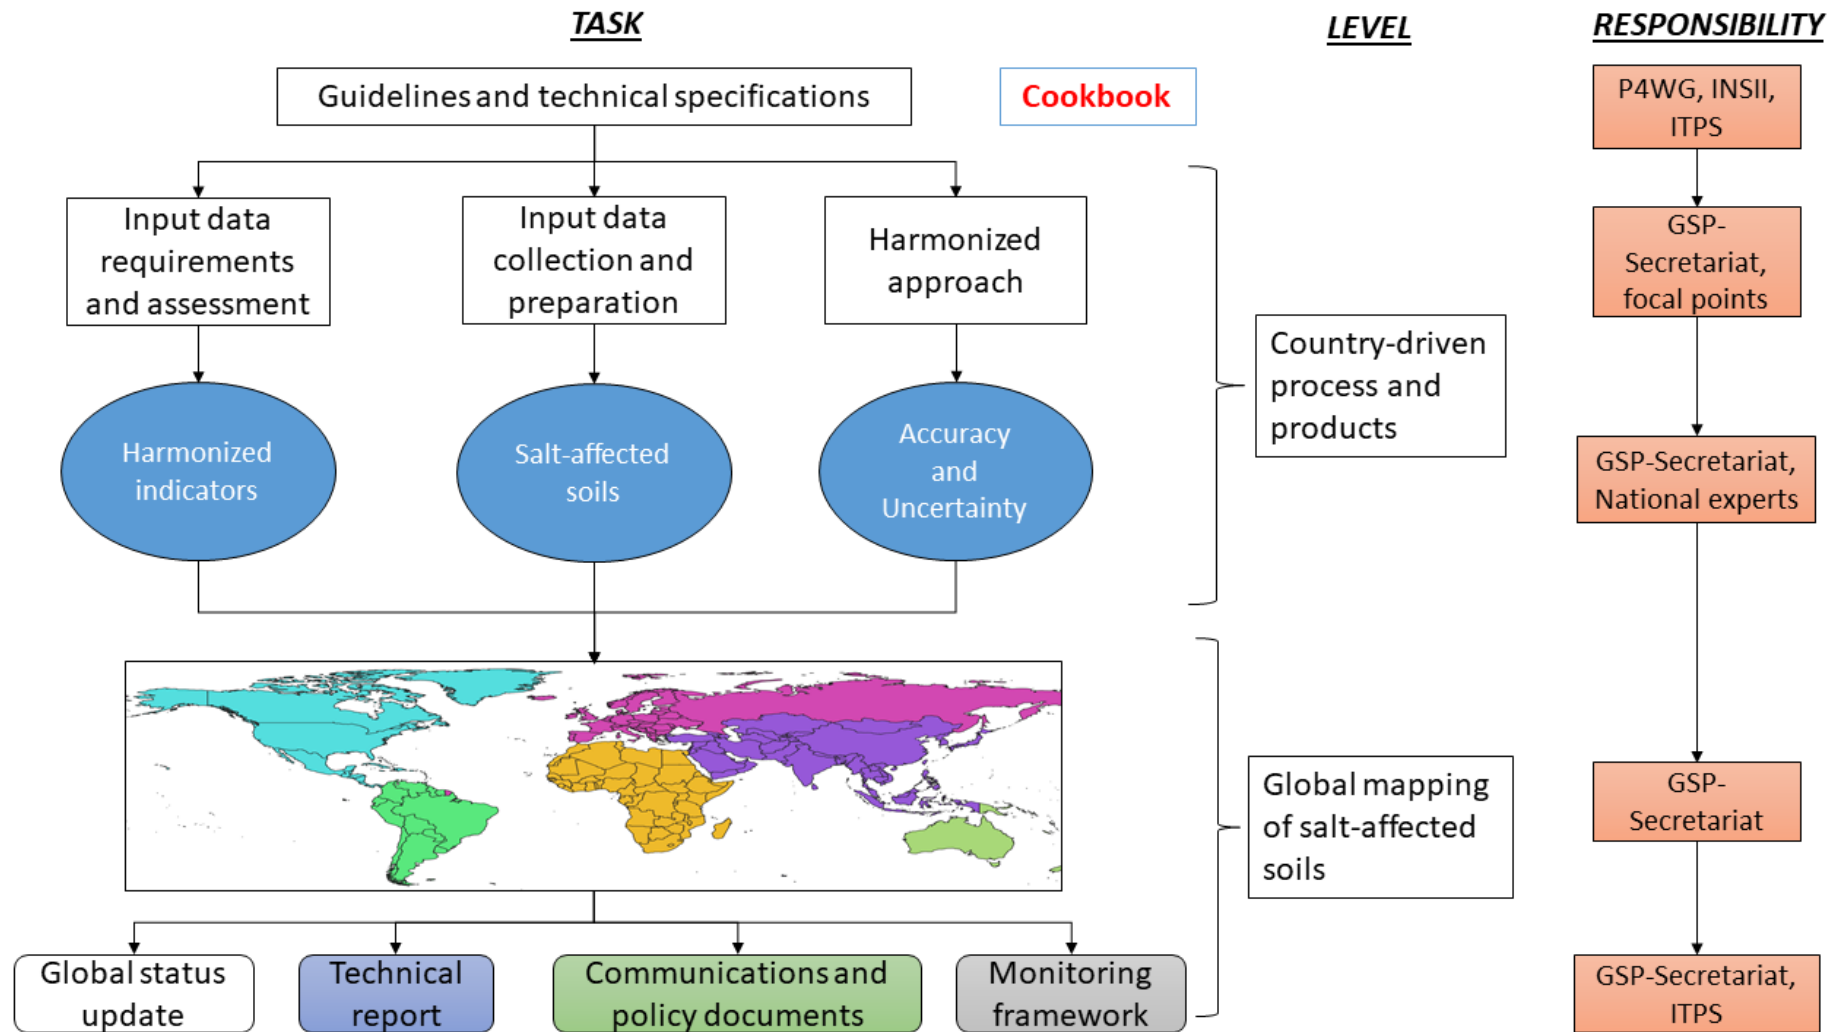

*GSP Plenary Assembly Chair*

# Cooperation between INSOP and the International Network of Soil Information Institutions(INSII)

- Bottom-up approach of global data products
- Gaps and opportunities to map soil pollution

# Country-driven framework for global mapping of soil properties (e.g. salt affected soils)

# Gaps and opportunities to map soil pollution

- Contaminated sites
- Diffuse soil pollution

## TOP TEN MOST POLLUTED SITES WORLDWIDE

Blacksmith Institute  
475 Riverside Drive, 600  
Room 901, New York, NY 10014  
USA  
407-742-2600
