5<sup>th</sup> Editorial Board meeting | 3-5 May 2022

**You should have received an email about it.**

Please make sure that the members of the Editorial Board from your country (these were appointed by the national focal points) attend the meeting. You are also welcome to attend it (if you like).

We are also starting to review the **list of contributing authors** in order to acknowledge them in the Atlas. Please make sure that this is updated and complete!
