

Food and Agriculture  
Organization of the  
United Nations

Side event

MONDAY 1 DECEMBER 2014

IRAN ROOM (B116)

## Building a common vision for *sustainable* food and agriculture

*The experience from Rwanda*

*Simultaneous interpretation in English, French, Spanish*

*FAO's Common Vision for sustainable food and agriculture calls for a new, strategic and integrated way to engage with Member Countries in their efforts to move towards making their agriculture, forestry and fisheries more productive and more sustainable. This side event will present current efforts and achievements by FAO and the government of Rwanda towards building and implementing a common vision for sustainable food and agriculture.*

**Event co-hosted by** *Maria Helena Semedo, Deputy Director-General for Natural Resources, FAO*  
*Tony Nsanganira, State Minister for Agriculture, Rwanda*

**Chaired by** *Clayton Campanhola, Coordinator, Strategic Objective 2 'Making agriculture, forestry and fisheries more productive and sustainable', FAO*
