

How do I register

Important: Kindly use one of the following browsers, **Firefox, Chrome, Edge or Safari.**

You may watch this [short silent video](#) on how to register.

Step 1: Create a new account

1. Click on the button "**Register now**"
2. If you do not have an account, click on the button "**create a new account**"
3. Fill out the account creation form.
4. The button **Confirm** will turn blue when all the mandatory fields are filled out.
5. You will receive an email with an account activation link. Please click on it.
6. Please record the username and password of each participant, as Codex will not be in the position of recovering them.

Now that your account has been activated, next time you come to an event at UNAIDS, WHO, UNOG,... you will not need to create an account and your information will be prefilled.

Step 2: Register to the CAC 42

1. You will be redirected to the registration form of the meeting.
2. If not, click on the button **register now**, log in using your newly created account information.
3. Kindly complete the online registration form and upload all the necessary forms and documents. You will need a digital photo of the participant as well as their affiliation, address, contact and passport details.
4. Click on **Register**
5. You will receive an email that acknowledges receipt of your registration.

In case you don't receive any e-mail to activate your account or to confirm your registration, **please check your spams or [contact us](#).**

Meeting Badges will be provided at the registration desk by a designated WHO security guard, kindly keep handy the confirmation message of your registration.
