

WORLD FOOD SAFETY DAY

Food safety, everyone's business

The 7th June 2020 is World Food Safety Day. The Department of Health, Department of Agriculture, Land Reform and Rural Developments and the National Regulator for Compulsory Specification, as Competent Authorities responsible for Food Safety and Control have, in collaboration with the food industry, scientific organizations and industry experts, planned a series of events and activities through online and virtual platforms, including social media, with the aim to celebrate World Food Safety Day 2020 and to inspire action to help prevent, detect and manage foodborne health risks. Below is a provisional programme of events:
