Codex Committee on Food Labelling (CCFL)

Objective

This webinar will provide Codex Members and Observers with an overview of progress made on key topics in the step process on the agenda at the next session of the Committee which will take place from 27 September to 1 October 2021. Through a series of interviews and discussions with electronic working group leads, participants will also be provided updates on where the different topics stand and gain valuable insight ahead of what should be vibrant discussions at the next session.
