English, French and Spanish

Codex Committee on Residues of Veterinary Drugs in Foods (CCRVDF)

Objective

This webinar will provide Codex Members and Observers with a review of key topics on the agenda at the next session of the committee which will take place in July 2021. With a series of interviews and discussions with experts from the working groups, participants will also be able to review where the different topics stand and gain valuable insight ahead of what should be vibrant discussions at the next session.

PROGRAMME

- | | | |
|----------|------------------------|--|
| 1 | Welcome | Kevin Greenlees,
CCRVDF Chairperson |
| 2 | Opening remarks | Codex Secretariat |
| 3 | Discussion | |

Discussion topics will include:

- Establishing MRLs for veterinary drugs and the role of the priority working group
- The history of the MRLs for zilpaterol
- A harmonized definition for edible tissues of animal origin (including edible offal)
- Extrapolation of MRLs to one or more species
- Database of country needs for MRLs

Chairperson

Kevin Greenlees –
United States of America

Speakers include:

Allan Azegele – Kenya
Risto Holma – European Union

Codex Secretariat

Gracia Brisco, Verna Carolissen

Facilitator

David Massey

Participants will be invited to take part in the programme through online interactive tools and will have a chance to ask questions of the expert guests during the live event.
