

CCGP32 PRE-SESSION WEBINAR

Webinar

Wednesday January 27th 2021, 12:00 – 13:30 CET

At its 43rd Session (2020), the Codex Alimentarius Commission (CAC43) acknowledged, with regards to the on-going COVID-19 pandemic, the need to use innovative tools and mechanisms to facilitate the progression of Codex work when physical meetings could not be convened. CAC43 further agreed, on an exceptional basis, that Codex Subsidiary Bodies may be held virtually in 2021, if determined appropriate by FAO and WHO, in consultation with the host governments concerned and the Codex Secretariat.

In line with these recommendations, France, as host country of the Codex Committee on General Principles (CCGP), and the Codex Secretariat have arranged for the 32nd Session of the Committee (CCGP32) to take place virtually, from 8 to 17th of February 2021.

A pre-session webinar will take place on Wednesday January 27th, from 12:00 (noon) to 13:30 CET. The purpose is to prepare Codex Members and observers to actively participate in CCGP32 by addressing how to effectively work virtually and introducing the working documents for the Session.

-  The webinar will take place in English, Spanish, and French.
-  All registered participants for CCGP32 will receive a connection link to access the webinar
-  Moderator : Hilde Kruse, Codex Secretariat
