EWG online platform Yes	EWG online platform	Yes

Codex Members and Observers are invited to register their experts for this Electronic Working Group.

When there is more than one expert, each country or observer organization shall designate **one** as the official representative to participate in the EWG.

Applications should be sent through the Codex Contact Point (CCP) of the member or recognized observer organization in an email detailing:

- participant's name
- official title or position
- country or organization
- email address

The EWG platform

Link: http://forum.codex-alimentarius.net/index.php

User-Group name: CCCF16:DataAnalysisContaminants

The platform will require members to login.

New participants to the platform should first register (online guide, video tutorial)

Those participants who have previously registered on the platform can request to join the user-group directly.

The EWG chair will give participants access to the group online once they have verified their credentials so please ensure that you follow the procedure for applications and email the chair through your CCP even if you are already registered on the platform.

Program and timeline

The work programme and timelines will be circulated to members of the EWG soon after its establishment.

We look forward to your participation.

Frans Verstraete, European Union (Chair)
