Czechia

Name of the organization: Mendel University in Brno; Institute of Zoology, Fisheries, Hydrobiology and Apiculture; Department of Fisheries and Hydrobiology

Function of the organization: Specialized workplace in the fields of fisheries and hydrobiology, provides training of university-educated specialists for all areas of freshwater fisheries

Contact: info@mendelu.cz; rybarstvi@mendelu.cz

Website: <https://mendelu.cz/en/> ; <http://rybarstvi.eu/>

Name of the organization: University of South Bohemia in České Budějovice
Faculty of Fisheries and Protection of Waters

Function of the organization: Scientific, educational and service activities in the field of fisheries and protection of waters.

Contact: sekretar@frov.jcu.cz

Website: <https://www.frov.jcu.cz/en/>

Name of the organization: Czech University of Life Sciences Prague; Department of Zoology and Fishery

Function of the organization: Teaching and research in the field of zoology and fisheries

Contact: iro@czu.cz; melicharovap@af.czu.cz ; kalous@af.czu.cz

Website: <https://www.czu.cz/en>; <https://katedry.czu.cz/kzr/uvod>; <https://www.af.czu.cz/en>

Name of the organization: The Biology Centre of the Czech Academy of Sciences

Function of the organization: It brings together five previously separate scientific laboratories and service center providing administrative and technical services.

Contact: bc@bc.cas.cz

Website: <https://www.bc.cas.cz/en/homepage/>

Name of the organization: Czech Fish Farmers association

Function of the organization: To maintain and strengthen the position of our multifaceted, highly professional and prosperous production fishery, adaptation to fishing water management methods in accordance with its sustainable development together with environmental conditions, orientation to the production of nutritionally and health valuable fish and fish products with an almost organic (biologically pure) character.

Contact: info@cz-ryby.cz

Website: <https://www.cz-ryby.cz/>

Denmark

Name of the organization: National Institute of Aquatic Resources at the Technical University of Denmark (DTU Aqua)

Function of the organization: DTU Aqua conducts research, provides advice, educates at university level and contributes to innovation in sustainable exploitation and management of aquatic resources and inland fisheries.

Contact: aqua@aqua.dtu.dk

Website: <https://www.aqua.dtu.dk/>

Name of the organization: The Ministry of Food, Agriculture and Fisheries of Denmark

Function of the organization: The Ministry of Food, Agriculture and Fisheries of Denmark is responsible for administrative and research tasks in the areas of farming, fisheries and food production.

Contact: fvm@fvm.dk

Website: <https://fvm.dk/>

Name of the organization: Danish Aquaculture

Function of the organization: Danish Aquaculture represents the aquaculture industry in Denmark.

Contact: danskakvakultur@danskakvakultur.dk

Website: <https://danskakvakultur.dk/>

Estonia

Name of the organization: Ministry of Regional Affairs and Agriculture

Function of the organization: The goal is to create conditions for the sustainable and diverse development of Estonian rural life, agriculture and fisheries, to ensure safe and proper food and feed, to organize and coordinate the protection of farm animals and cultivated plants, etc.

Contact: info@agri.ee

Website: <https://agri.ee/en>

Name of the organization: Ministry of Climate

Function of the organization: Inland fisheries and aquaculture research, education, management, conservation and development.
