

The logo for GACSA (Global Alliance for Climate-Smart Agriculture) features the letters 'GACSA' in a bold, sans-serif font. The 'G' is orange, and the 'ACSA' is green. Below the letters, the full name 'GLOBAL ALLIANCE FOR CLIMATE-SMART AGRICULTURE' is written in a smaller, grey, all-caps font.

GLOBAL ALLIANCE FOR CLIMATE-SMART AGRICULTURE

**Panel Discussion:
GACSA's Interaction with, and Support of UN Initiatives
and Implementing Agencies**

Allison Chatrchyan, Cornell, Moderator

Panelists:

Herwig Ranner, EU Negotiator to UNFCCC

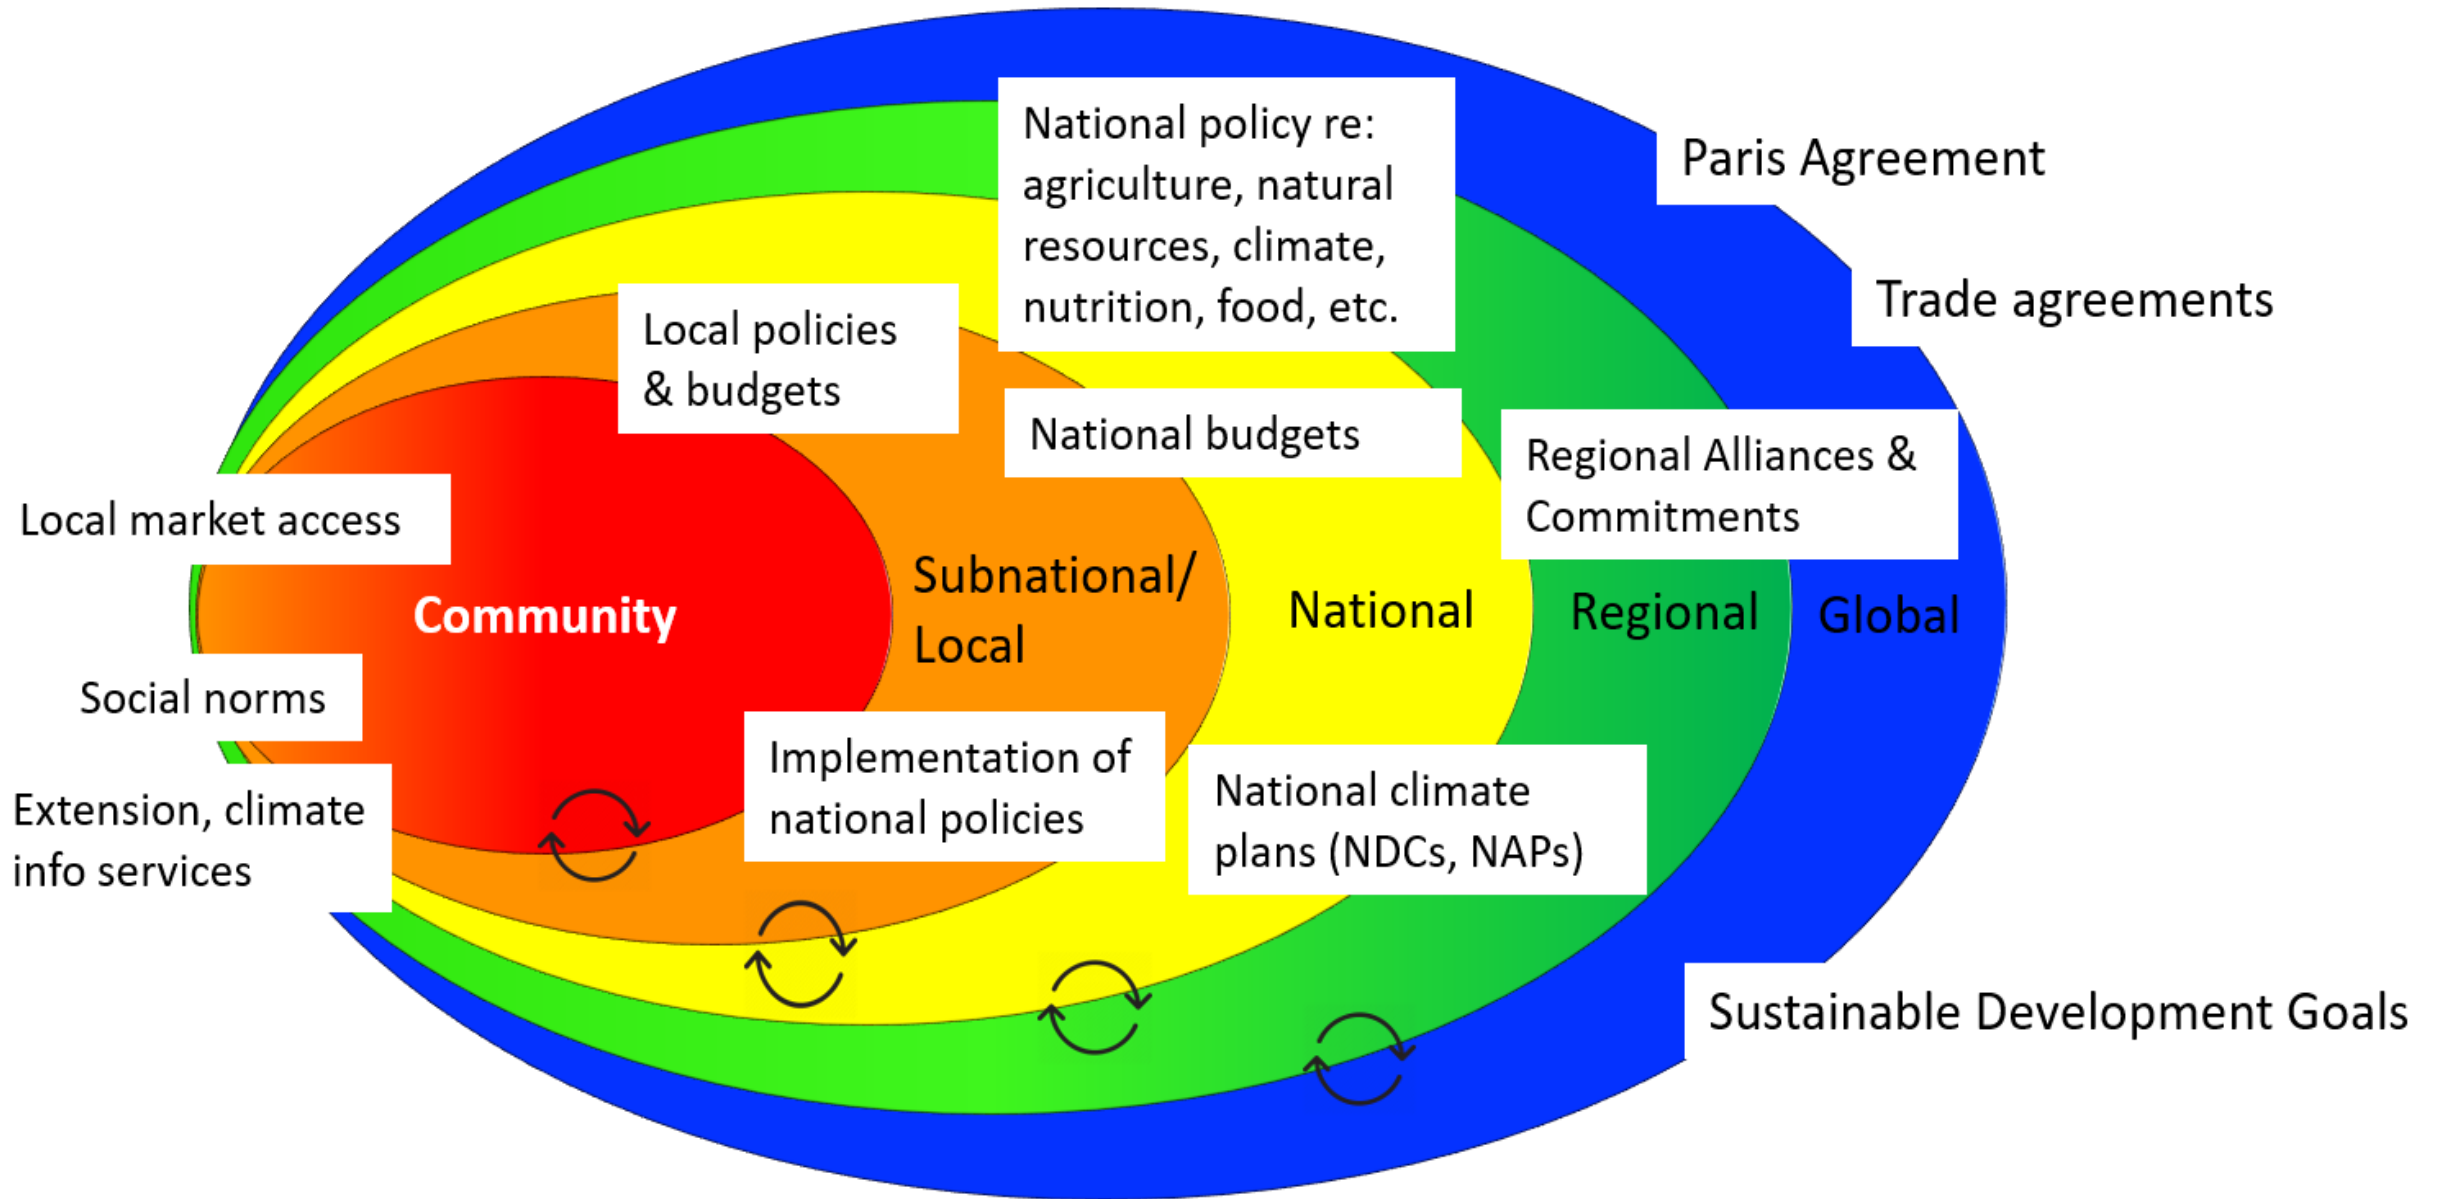

Hien Ngo, Technical Support, IPBES

Martial Bernoux and Federica Matteoli, FAO

#GACSA2019

15 June 2019

Multilevel Policies, Coordination and Convergence

Guiding Questions for the Panel

- What initiatives related to CSA are taking place within the UNFCCC processes, other UN initiatives, and implementing agencies?
 - UNFCCC, Koronivia Joint Work Program on Agriculture
 - IPBES, global assessment of biodiversity and ecosystem services
 - UN FAO
- → How can GACSA, as a voluntary, multi-stakeholder network, play a key role in supporting this work?
- ← How can UNFCCC and other agencies work with GACSA to collectively quickly scale up CSA adoption globally?
