GACSA assisted in co-organizing the ASEAN-CRN Webinar

On Earth Day, April 22, this year, over 45 participants representing official focal points from the member states of the ASEAN Climate Resilience Network, international organizations, and civil society representatives attended the network's first ever virtual meeting.

Aptly themed "ASEAN CRN in the time of Corona", the virtual meeting signals the first of a planned series of webinars, and gave the opportunity to check on one another.

The meeting opened discussion, as to how ASEAN CRN, as a leading knowledge exchange platform in the region, can contribute to ASEAN's goals of ensuring food security amidst the pandemic.

Southern Africa Climate-Smart Agriculture Alliance (SACSAA) Webinar

On 28 May a webinar took place on "Developing Resilient Food Systems in Southern Africa in the era of Covid-19". The Southern Africa Climate-Smart Agriculture Alliance (SACSAA), in partnership with the Africa Climate-Smart Agriculture Alliance (ACSAA) and the Global Alliance for Climate-Smart Agriculture (GACSA), is pleased to present a series of webinars focusing on agriculture, foodsecurity and climatechange. These webinars are designed to mobilize action on policies, practices and financing for Climate Smart Agriculture CSA.
