2019: the Year of Expansion

- **New partnerships** (private sector, new donors, NGOs, farmers and communities)
- **Youth engagement** (IMD theme, courses, FB groups, university networks, trainings)
- **Advocacy for mountains** (HLPF, COP25, WMO Summit, UNSG report and UNGA Resolution)
- **Outreach** (Science article, Expo Dubai)
- **Inclusivity** (Members' Voices, storytelling of mountain producers, membership diversification)

The key focus for MP in 2020

- **This is the decade of action and delivery** - only ten years till 2030 to attain SDGs
- Biodiversity: Post 2020 Framework
- Climate Change: Advocacy & data
- Vulnerability to Food insecurity: Data
- Building resilience and improving livelihoods on the ground: MPP initiative in 11 countries

A Vision for the MP for 2020

- Increase networks among regions
- Strengthen the collection and dissemination of evidence based and traditional knowledge on addressing mountain issues
- Reach out beyond MP members and expand resource base
- Consolidate the communication campaign focused on resilient mountain people
