

Regional workshop for Africa

Towards productive, sustainable and inclusive agriculture, forestry and fisheries in support to the 2030 Agenda for Sustainable Development

Kigali, Rwanda, 19-21 September 2016

AGENDA

Expected outputs

- Increased understanding by participants of implications and opportunities of the 2030 Agenda for the agriculture, forestry and fisheries sectors, in the framework of the Malabo Declaration
- Elements of action of country-specific road maps aiming to address key efficiency, inclusiveness and sustainability issues in a more systemic way
- Increased appreciation of the need for cross-sector and inter-ministerial cooperation in the development of agricultural and food systems
- Ways to support country-specific actions through FAO's Regional Initiative RI2 for Africa.

Summary		
Day 1 - Exploring the new governance environment	Day 2 – Integration at local level	Day 3 - Country planning
Introduction: the big picture	Field visit: Concrete actions on the ground	Review of country programmes
Country priorities		Developing country plans
Engaging in the 2030 Agenda		Shaping FAO support through RI2
A review of tools	Addressing trade-offs	Conclusions
