

## **Mediterranean Animal Health Network (MAHN/REMESA)**

### **1<sup>st</sup> Meeting of the Joint Permanent Committee (JPC): discussion of the REMESA Action Plan.**

**Tunis, 15 and 16 July 2009**

#### **Decision of the meeting**

##### **Considering:**

- The REMESA annual Action Plan (July 2009-June 2010) prepared by FAO/RAHC-NA and presented during the Tunis meeting.
- The need to define a REMESA priority actions working framework for the next 12 months.
- The need to clarify the roles and responsibilities of the main REMESA actors, particularly for the Joint Permanent Committee.

##### **The CVOs, or their representatives, of the ten<sup>1</sup> countries participating to the first meeting of the Joint Permanent Committee (JPC) of the Mediterranean Animal Health Network (MAHN/REMESA) held in Tunis on 15 and 16 July, decide:**

1. The approval of the REMESA annual Action Plan (July 2009-June 2010) prepared by FAO/CRSA-AN and discussed during the meeting.
2. The approval of the ToR of the JPC, prepared and discussed during the meeting (see details in annex).
3. The designation, by each CVO, of a REMESA focal point. The names and addresses will be communicated by each CVO to the FAO/RAHC-NA within the two weeks following the end of the meeting (before 31<sup>st</sup> July).
4. The joint annual presidency of the JPC by Spain and Algeria in 2010.
5. The transmission to the members of the JPC, as soon possible, of a detailed workplan, prepared by the FAO/RAHC-NA, corresponding to the first six months of the REMESA annual Action Plan. This six month workplan, as well as the 2009-2010 Action Plan, will be revised to include the OIE contribution as soon as their regional strategic planning is formulated.
