- < 2003: financed under the annual state budget
 - all costs paid by the state
 - Aim: optimising production through restructuring
- >2003: Financed under the RDP
 - all costs paid by landowners - 100 % subsidised
 - Aim: optimising production
 - nature and/or environmental protection

Challenges

- **Existing legislation** (national and EU)
 - taxation laws
- **New legislation** (national and EU)
 - CAP-reform
 - DK Law on Agricultural Land
- **New procedures – new roles**
 - Laws and administrative instructions
 - Re-defining the tasks: From control to service!
 - Awareness

RDP 2007-13

- Change of priority
 - Environmental issues only
 - No subsidies for “traditional” LC-projects
 - Liberal legislation on agricultural land
