

$$\text{LC} + \text{LC}^2 = \text{Efficiency}$$

Making Land Consolidation efficient with a Land Consolidation Commission

Do we need to wait?

We need to wait until all land records are fixed before we can start land consolidation.

How long do we have to wait before all land records are fixed?

Use a Land Consolidation Commission to adjudicate the ownership of participants who have problems with land records.

Use a Land Consolidation Commission to approve transfers so registration can take place.
