METHODS & TOOLS FOR STAKEHOLDERS INVOLVEMENT

PREPARATION FOR FINANCING OF LAND CONSOLIDATION IN 2014 – 2020

In 2012-2013 it's foreseen to prepare 15 integrated rural development projects as a platform for integrated land consolidation projects for 2014-2020.

AIMS OF THE INTEGRATED RURAL DEVELOPMENT PROJECT:

- 1.to analyse existing territorial development strategies and plans.
- 2.to analyse Local development strategy (prepared under the Rural Development Program).
- 3.to combine the territorial development strategies and plans with Local Development Strategies.
- 4.to develop proposals for the future implementation of similar projects.

AWARENESS CAMPAIGN OF INTEGRATED PROJECTS

In 2012 presenting the use and possibilities of integrated rural development project and relations with land consolidation NLS had 20 meetings with:

- Farmers;
- Local Action Group;
- Rural community;
- Municipality;
- Businessmen;
- Other rural NGO's.
