***11th International LANDNET workshop
Regional Consultation on Land Consolidation Legislation
27-29 November 2018
Tallinn, Estonia***

Frank van Holst and Morten Hartvigsen

Learning

- 'Where is the potato bag?'
 - 'Environmental psychologist'
 - 'Protect the integrity of the plot'
 - 'Land plot as a flexible object'
-

Issues for wrapping up

- Land consolidation for large scale infrastructure: any overall conclusion?
- Rail Baltica: do we use the potential of land consolidation?
- IT tools for land consolidation: what could be next steps for exchange or cooperation?
- Land consolidation in Ukraine: how to support from LANDNET side?
- LANDNET and other networks: any suggestions?
- LANDNET Action Plan: any issue not covered?
- LANDNET's next steps: next workshop, legal guide on land consolidation legislation etc.

Thank you very much!
