# AGENDA

## Three-Country GASL Multi-Stakeholder Meeting on determining priorities and options in climate-resilient and low-carbon ruminants production development

February 10-11, 2020

Kyrgyzstan, near Bishkek

Day 1 – Discussion of recommendations by the stakeholders

---

9:00 – 9:20	Welcome speech	FAO KG + Deputy Minister of Agriculture
9:20- 9:35	Livestock Policies in Central Asia	Sumiter Broca
9:35-10:00	Country priorities in livestock and climate change policies	Representatives from countries
10:00 – 10:20	Introduction to FAO work on livestock and environment	Henning Steinfeld, Juliana Lopes, FAO AGAL
10:20 – 10:35	Cooperation with Global Agenda for Sustainable Livestock	Eduardo Arce, GASL
10:35 – 10:50	Coffee break	
10:50 – 11:00	Introduction to the project and its outcomes	Evetta Zenina, Yuriy Nesterov, FAO SEC
11:00 – 11:40	Assessment of ruminant GHG emissions in Central Asia: preliminary results (animal production)	Juliana Lopes, FAO AGAL
11:40-12:30	Assessment of ruminant GHG emissions in Central Asia: preliminary results (soil carbon module)	Marta Dondini, FAO AGAL

---

---

<b>12:30 – 13:30</b>	<b>Lunch</b>	
----------------------	--------------	--

---

<b>13:00 – 14:30</b>	<b>Climate change adaptation and mitigation policies and practices for the ruminant and pasture management within country context</b>	Andrea Vitali, Giampiero Grossi, Tuscia University
----------------------	---	--

---

<b>14:30 – 15:00</b>	<b>Discussions among stakeholder clusters</b>	All
----------------------	---	-----

---

<b>15:00 – 16:00</b>	<b>Mitigation potential and co-benefits from livestock</b>	FAO AGAL & Tuscia University
----------------------	--	---------------------------------

---

<b>16:00 – 16:30</b>	<b>Discussions among stakeholder clusters</b>	All
----------------------	---	-----

---

<b>16:30 – 16:50</b>	<b>Coffee break</b>	
----------------------	---------------------	--

---

<b>16:50 – 17:30</b>	<b>How the previous information can be framed for the development of the project?</b>	FAO AGAL
----------------------	---	----------

---

<b>17:30 - 18:00</b>	<b>Challenges and opportunities/ Lessons learned and wrap-up day 1</b>	All
----------------------	--	-----

---

Day 2 – Way forward

---

**9:00 – 9:30**                      **Building partnerships for resources mobilization (for adaptation and mitigation)**                      **FAO CBC**

---

**9:30- 10:30**                      **National CC targets (NAMA, NAP, NDCs etc) relevant to livestock**                      National stakeholders

---

**10:30 – 10:50**                      **Coffee break**

---

**10:50 – 11:30**                      **Promoting climate change and environmental management in national and international livestock policies via future projects**                      All

Panel discussion

---

**11:30 – 12:30**                      **Discussion and amendment of national project concept notes in three country groups – Part 1**                      All  
Roundtables of national multistakeholder groups (Kyrgyzstan, Tajikistan and Uzbekistan)

---

**12:30 – 13:30**                      **Lunch**

---

**13:30 – 14:30**                      **Discussion and amendment of national project concept notes in three country groups- Part 2**                      All  
Roundtables of national multistakeholder groups (Kyrgyzstan, Tajikistan and Uzbekistan)

---

**14:30 – 16:00**                      **Discussion and amendment of the (sub) regional project idea**                      All  
Roundtables of international stakeholder groups (academia, government, civil society etc.)

---

---

**16:00 – 16:20**

**Coffee break**

---

**16:20 – 17:00**

**Session on establishing partnership  
with potential resource partners**

GEF representatives,  
GCF representatives

---

**17:00 – 17:30**

**Closing remarks**

---
