2nd Online African Swine Fever Balkan Project Coordination Meeting

Subtheme: Hunting and wild boar

Online, 1 October 2020

Project: African swine fever emergency preparedness in Balkans (TCP/RER/3704 & TCP/KOS/3703)

Platform: Zoom. **Language:** English.

Background:

The Regional Office for Europe and Central Asia (REU) of FAO is hosting a series of online meeting to present and discuss the project's activities, as well as to facilitate information sharing and coordination between beneficiary countries, international organizations and other countries in the region.

The aim of the meeting is to present and obtain feedback on current activities under development and to provide a platform to share relevant information on ASF and the region, with a specific focus on issues related to *Hunting and wild boar*.
