12

ENVISAGED IN THE NEXT BIENNIUM:

Bahrain, Egypt, Iraq, Iran, Jordan, KSA, Lebanon, Oman, Qatar, Sudan, Tunisia, WBGs, UAE

New Guidelines

What's New?

Document covers:

- ✓ Short summary on country context and priorities (2 to 4 page)
- ✓ FAO's contribution and expected results
- ✓ Implementation, monitoring and reporting arrangements;

- ✓ 3 Annexes :
 - a) Expected country results related to national priorities/outcomes & corporate outputs and indicators, and resource requirements;
 - b) UN system linkages;
 - c) indicative TCP pipeline

- ✓ Overall length: 20 pages

Max. 20 pages!

OLD vs NEW

-  INCLUDING A SITUATION ANALYSIS
-  ASSESSING FAO's COMPARATIVE ADVANTAGE
-  BEING FOCUSED ON OUTCOMES & BEING LENGTHY
-  CONTRIBUTION OF COUNTRY LEVEL WORK TO FAOs SOs (not too clear)

+ Programmatic
+ Operational

Shorter...
Simplified...

-  STREAMLINED & SIMPLIFIED
-  INTEGRATED PLANNED COUNTRY RESULTS WITH FAO REGIONAL PRIORITIES AND SOs
-  REINFORCED RESPONSIBILITIES AND CAPACITY OF FAO DECENTRALIZED OFFICES
-  CHANNELED COUNTRY LEVEL RESOURCE MOBILIZATION & PARTNERSHIPS
-  FOCUSED ON OUTPUTS & BEING MORE PROGRAMMATIC/OPERATIONAL

CPF Quality Review

 ***The Regional Office conducts the Quality Review***

 ***It Includes five cross cutting areas:***

8 FOCUS COUNTRIES:

Egypt, Jordan, Lebanon, Mauritania, Morocco, Sudan, Tunisia, WBGS.

3 FOCUS AREAS in 2016/2017

Tailoring “SSA outputs” to CPF’s Priority Areas

Support Governments, Producer Organizations and Rural Institutions promoting capacity development tools on governance, sustainability and equity-based on sound statistical instruments, methodologies and evidence.

Support social protection, rural services and access to markets for small-scale farmers and rural communities to reduce poverty and improve food security.

Strengthening producers’ capacities for improving sustainable productivity & value chains through innovative technologies & favoring the employment of youth and women in rural areas.
