

**RNE Regional Professional Staff Meeting**  
***Enhanced and Accelerated Delivery for Results***

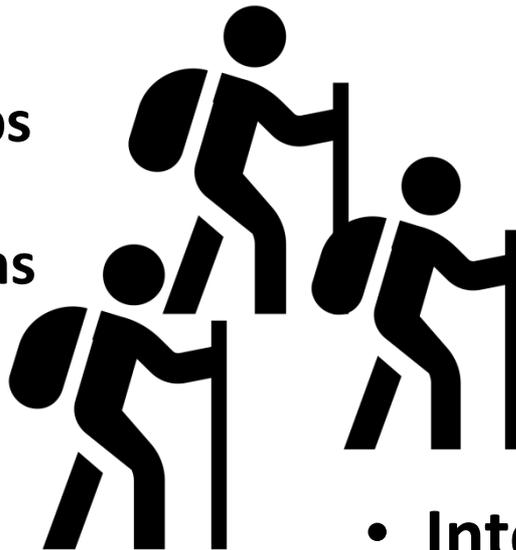

**Wrap up**

*February 8-10, 2016, Cairo, Egypt*

# Journey

- **Group work**
- **Focus Groups**
- **Presentations**
- **Plenary Discussion**
- **Interaction between CO-SRO-RO-HQ**

# SDGs

- “FAO won the SDGs”
- SDGs mapped to SOs
- Opportunities to better position FAO in the country
  - Group work, several proposals

# Regional Initiatives Sessions

Proposals to accelerate delivery

**Operational**

**Human / Technical  
Support**

**Knowledge  
Management**

**RM (Financial)**

- **Small group (CO, RO, HQ) to continue fine-tuning proposed actions**

# Subregional Perspective Sessions

- How to better integrate / align FAO's work at country level
- Potential areas for synergies
- How can we speed up delivery
- How can we work more efficiently

➤ **Several proposals, including:  
COUNTRY SINGLE ENTRY POINT**

# Results, SA, M&R

- Results defined, examples
- FAO Results Chain
- SA
- Monitoring and Reporting
  - Corporate outputs, outcomes
  - Corporate Baseline for Outcome assessment
- RNE M&R Team proposal

# CPFs, RM, GEF, CF, SS

- Status of CPFs, old vs new
- How FAO is doing in RM (goals, efficient, effective?), NENA figures
- GEF
- Climate Fund
- South-South – how to do it

# Communication in RNE

- SOMI contributions
- Regional structure and Country consultants
- Provided elements of a Regional Strategy
- Rich comments / proposals / questions

# Session with Senior Management

- Countries leading the process for planning, implementation and reporting
- It's all about accelerating delivery at country and regional level
- SP teams should mobilize HQ Technical Units to better support RI and focus countries
- **Challenges; we are “inventing” a new way of working**

# Objectives

## Participants:

- Are **updated** on FAOs transformation and Delivery for Results, and on the Regional Strategic Review
- Are **familiar** with SDGs and COP21 outcomes – how to better reflect in work plans
- Have clear **understanding** of M&R modalities

# Objectives

- **Consensus built** on the strategic elements of the 2016-17 regional and country work plans, support needed, on the delivery mechanisms, and related synergies
- Acceleration of delivery plans **outlined**
- Fund challenges and opportunities discussed and **outline on how to enhance RM**
- Communication, advocacy and outreach modalities **outlined**

**MISSION:**  
**ACCOMPLISHED!**
