**ON THE
PATH OF
FOUNDER/**

The Millennium Declaration refers to six universal values that are also those of Scouting: freedom, equality (of individuals and nations), solidarity, tolerance, respect for nature, and shared responsibility. In 2004, appreciative of its partnership with the UN, the World Organization of the Scout Movement (WOSM) signed an agreement with the UN to contribute actively to the MDG campaign. The Scouts of the World Award (SW Award) was launched to encourage thousands of Scouts and non-Scouts to adopt world citizenship.
