Semantic Description of Knowledge in Agriculture: Our experience

version 1-0

last updated : 24 July, 2002

Management Summary	

Author	Gauri Salokhe
Version	1-0
Project	FIGIS
Created	27 June 2002
Powerpoint presentation	14 slides – File: FIGIS-2002-AgMES Methodology.ppt FIGIS-2002-AgMES extension.ppt

Abstract
<p>This presentation outlines the motivation and process behind creation of knowledge description standards such as the Agricultural Metadata Element Set (AgMES) and the Agricultural Ontology Service (AOS). It outlines the steps and decisions that were made during the creation of the set. The core set was adapted from Dublin Core metadata set with local extensions through refinements and qualifications, which are also explained in brief.</p>
