

FIRMS Steering Committee 4th Session

26 February – 2 March 2007

Inter-American Tropical Tuna Commission (IATTC) Report

During the year progress was made to identify and provide to the secretariat data on (1) tuna fisheries for the eastern Pacific Ocean (Fisheries Identity Sheet information), and (2) Reference and Stock Assessment Fact Sheets. Updating of Stock Status Reports is in progress.

A link to the FIRMS website has recently been added to the IATTC website.
